**III. Report of Purpose, Operations and Mission and Projects, Statement of Justification**

**A. Purpose and Mission:**

The Corporation was formed to facilitate the performance of all purposes, powers and functions pursuant to the New York State Urban Development Corporation Act, and to exercise all or any parts of such purposes, powers and functions in furtherance of the implementation of the development of a public park known as the Brooklyn Bridge Park located in the City and State of New York.

**B. Projects:**

The subsidiary has a single project: the Brooklyn Bridge Park Civic and Land Use Improvement Project for the approximately 85-acre Brooklyn Bridge Park on the Brooklyn waterfront.

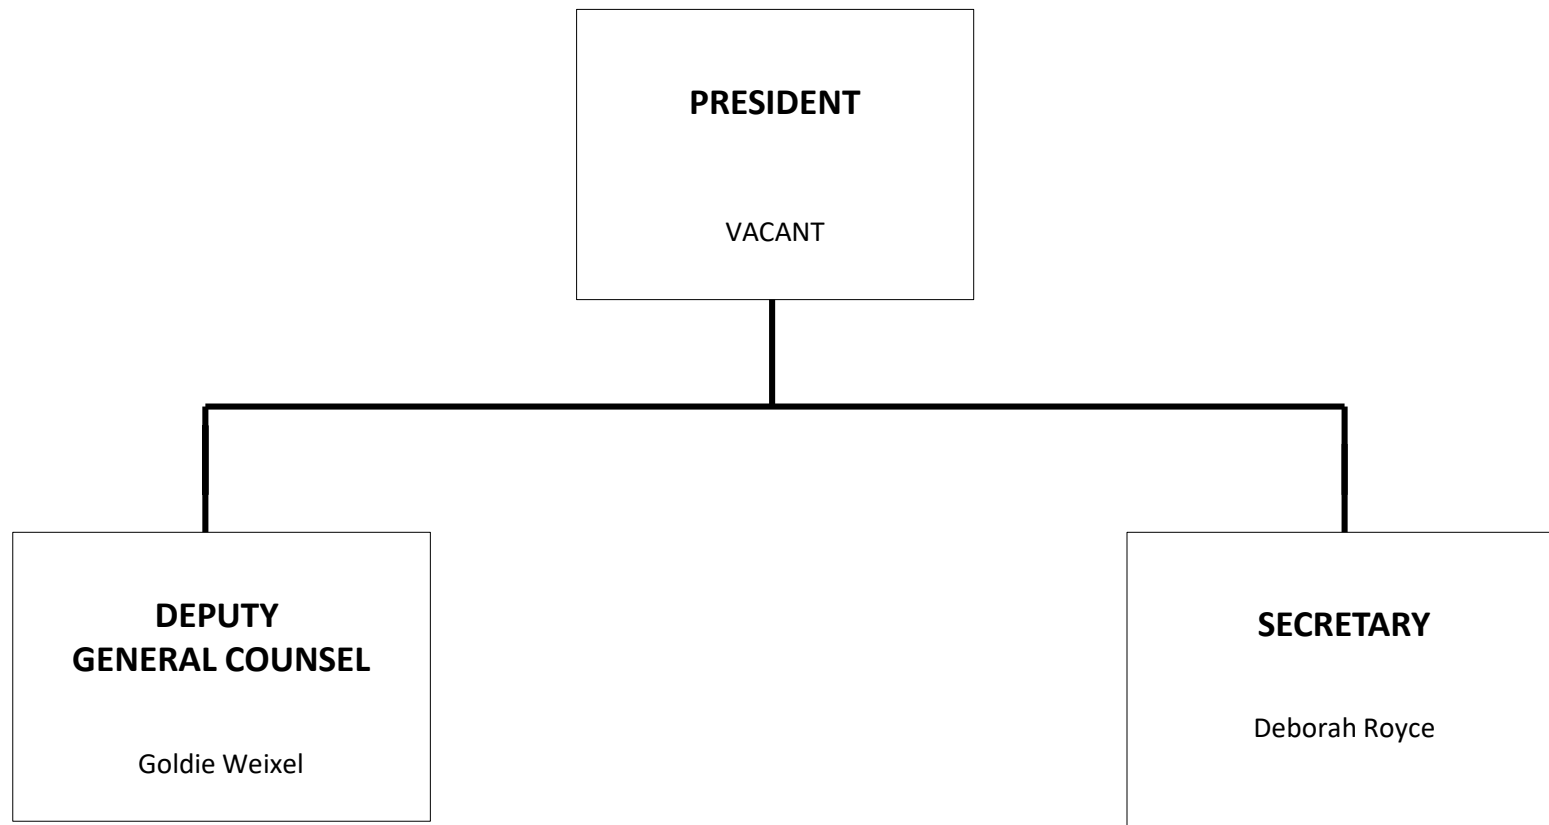

**C. Statement of Justification:**

The subsidiary transferred a long term ground leasehold interest in the project to a not-for-profit corporation, controlled by the City of New York, and entered into related administration and project agreements for the entire project with that not-for-profit. The subsidiary must continue to exist in order to maintain the general project plan for the project, including zoning overrides and the project's collection of payments in lieu of taxes that fund construction, operation, and maintenance of the project.
