Emergency EIDL Grants

As part of the CARES Act (signed 3/27/2020):

- Recognizing that the EIDL approval process can be as long as a month or more, the CARES Act provides that businesses whose applications are submitted between January 31 and December 31, 2020 can receive an advance of up to \$10,000 within 3 days after the SBA receives the application. These advances are available only for applications related to COVID-19. To be eligible for an emergency EIDL grant, an applicant must be eligible to receive an EIDL and have been in operation since January 31, 2020, when the COVID-19 public health crisis was announced.

NOTE: Any emergency EIDL advance received by a borrower who subsequently receives a Paycheck Protection Program loan will be subtracted from the calculation of the loan forgiveness amount of that program.

The 3 Step Disaster Loan Process

**Division of Small Business
& Technology Development**

How are Working Capital Loans Different from Other SBA Loans?

- SBA's Economic Injury Disaster Loan (EIDLs) funds come directly from the U.S. Treasury.
- **Applicants do not go through a bank to apply.** Instead apply directly to SBA's Disaster Assistance Program at: <https://disasterloan.sba.gov>
- **There is no cost to apply.**
- There is no obligation to take the loan if offered.
- The maximum unsecured loan amount is \$25,000.
- Applicants **can have an existing SBA Disaster Loan** and still qualify for an EIDL for this disaster, but the loans cannot be consolidated.

Together we will survive.

Thank you for supporting Small Businesses in New York State.
