

Treatment Plan

A Master Plan for the Forthcoming Landscape Rehabilitation

Architectural site plan and ground floor plan of a house. The plan shows a central house with a large living room (WOHNZIMMER), kitchen (KÜCHE), dining room (ESSTISCH), and bedrooms (SCHLAFZIMMER). It also features a garage, a covered porch (BEDECKTER VORBAU), and a flower garden (BLUMENGARTEN). The plan is surrounded by trees and a fence.
