

## **Market New York Round 8 Guidelines**

### **Funding Available: Up to \$15 million**

#### **Description**

*Market New York* is a grant program established to strengthen tourism and attract visitors to New York State by promoting destinations, attractions and special events. Funding is available for tourism marketing initiatives, capital/construction projects and the recruitment and/or execution of special events, including meetings, conferences, conventions, festivals, agritourism/craft beverage events, athletic competitions and consumer and industry trade shows. The Market New York program and each funded proposal will work to support the long term strategic plans for economic growth as put forth by the Regional Economic Development Councils (REDCs). For the 2018-2019 Fiscal Year, up to \$15 million will be available through *Market New York*.

Funding is available for eligible projects that will create an economic impact by increasing tourism throughout the state. Grant funding will be allocated among the ten (10) REDC regions, based on each REDC's five-year strategic plan that sets out a comprehensive vision for economic development and specific strategies to implement that vision. REDC strategic plan information can be found at: <http://regionalcouncils.ny.gov/>.

There are two categories of funding available under *Market New York*, each with varying requirements. Up to **\$15 million total** is available for the following project categories:

- 1) **Regional Tourism Marketing (Working Capital) - \$7 million;**  
(only minimum requests of \$50,000 or more will be considered); and
- 2) **Tourism Capital- \$8 million;**  
(only minimum requests of \$150,000 or more will be considered).

\*Applicants with projects that include both marketing and capital expenditures will need to meet the requirements for both funding tracks and clearly indicate that in their CFA application (select both capital and working capital when requested).

#### **ELIGIBILITY REQUIREMENTS**

Applicants must complete and submit a Consolidated Funding Application (CFA) which will be reviewed by Empire State Development (ESD) and the REDC. Projects that are statewide or multi-regional will be scored by the REDC where the project is mainly located headquartered, or by the REDC sponsoring the project.

Projects must clearly demonstrate in both the CFA application and the project plan that the project is tourism related. Projects that fail to establish a direct tourism impact will be determined ineligible and will not be scored.

Entities that may apply for funding include not-for-profit corporations, municipalities, Tourism Promotional Agencies (TPAs), public benefit corporations and for-profit companies. **Individuals, SUNY schools and NYS agencies are not eligible to apply for this grant.** Businesses must be certified in New York State. Not-for-profit corporations are subject to New York State's Not-For-Profit Corporation Law, and must have proof of incorporation (or equivalent document) from the NYS Department of State or NYS Board of Regents, a charities registration number from the NYS Office of the Attorney General and proof of tax-exempt status under the IRS code.

*Note to Not-For-Profit Organizations:*

Not-for-profit organizations who are successful in receiving grants must meet the following requirements prior to ESD Directors' approval and execution of a Grant Disbursement Agreement or Loan Agreement: 1) be prequalified in New York State Grants Gateway; 2) be registered and up-to-date with filings with the New York State Office of the Attorney General's Charities Bureau; and 3) be registered and up-to-date with the New York State Office of the State Comptroller's VendRep System. It is strongly advised that all Not-For-Profit organizations register with Grants Gateway upon application.

**ESD's Non-Discrimination & Contractor and Supplier Diversity Policies**

In accordance with the requirements of Article 15-A of the New York State Executive Law: Participation by [certified] Minority Group Members and Women with Respect to State Contracts, projects awarded funding shall be reviewed by ESD's Office of Contractor and Supplier Diversity, which may set business and participation goals for minorities and women. Established goals for awarded projects will be designated in the Incentive Proposal.

Please note that ESD's agency-wide MWBE (Minority and Women Owned Business Enterprise) utilization goal is 30 percent (30%). Each project will be assigned an individual contract-specific goal, which may be **higher or lower than 30 percent (30%)**. Should an applicant receive a funding award, the applicant shall be required to use good faith efforts to achieve the prescribed MWBE goals assigned to this project. Applicants must maintain records and take the necessary actions to demonstrate such compliance, which includes, but is not limited to updating compliance and utilization records in the New York State Contract System. Failure to comply with MWBE requirements may result in award reductions.

In 2014, the Service-Disabled Veteran-Owned Business Act was signed into law. The new law created the Division of Service-Disabled Veterans' Business Development in Office of General Services to certify, promote and encourage economic development among disabled veterans throughout the state. Project Applicants are urged to work with Service-Disabled Veteran-Owned Businesses (SDVOBs) and a directory can be found at <https://ogs.ny.gov/Veterans>.

## **SIGNIFICANT STATEWIDE PROGRAMS**

Proposed projects that are part of the following initiatives will be looked upon favorably:

### **Downtown Revitalization Initiative**

Priority consideration will be given to proposals which demonstrate they will advance downtown revitalization through transformative housing, economic development, transportation and community projects that will attract and retain residents, visitors and businesses - creating dynamic neighborhoods where tomorrow's workforce will want to live, work, and raise a family.

### **Opportunity Agenda Related Projects**

Each REDC may develop region-wide strategies, or may focus its efforts by designating one or more chronically distressed community as an "Opportunity Area." Projects seeking to apply CFA funds for the purpose of eliminating barriers to skilled employment by poor people in your region, as identified by the Opportunity Agenda and Strategic Plan, should provide evidence of such in their application.

### **Veterans' Related Projects**

New York State is home to more than 900,000 veterans, 72 percent of whom served in combat. In 2014, the REDCs were asked to create a Veterans Work Group to promote participation by Veterans in the CFA, and develop strategies to encourage other potential CFA applicants to include workforce goals related to Veteran's employment. This is part of a comprehensive approach to improving services to the veterans and military families in New York. Applicants should provide any information that links their project proposals to the Veteran's Initiative strategies identified by the REDCs.

## **SIGNIFICANT TOURISM INITIATIVES**

Proposed tourism projects that are part of the following initiatives will be looked upon favorably:

- **Projects that market/promote/showcase, on at least a regional basis, New York State's:**
  - Unique, world-class destinations;
  - Broad array of available activities; and /or
  - Strength in creating family memories through activities including but not limited to outdoor recreation, historic sites and museums, food and drink, festivals and the performing arts.
- **Projects that align with I LOVE NY initiatives such as:**
  - I LOVE NY LGBT (including the commemoration of World Pride/Stonewall 50 in 2019);
  - Path Through History;
  - Taste NY and agri-tourism; and / or
  - New-to-the-state special events

## FUNDING CATEGORY INFORMATION

### **I. Regional Tourism Marketing (Working Capital)**

#### **Up to \$7 million**

Only minimum requests of \$50,000 or more will be considered.

Any grant requests under \$50,000 will be found ineligible and will not be scored.

Applications will be accepted for projects that market New York State regional tourism destinations or attractions. Applicants must demonstrate how the tourism marketing project will promote and forward the tourism goals of the corresponding REDC's strategic plan, in addition to increased visitation or increase spending per visitor.

Successful tourism marketing projects will also complement the goals and strategies of I LOVE NY, namely to make New York State the destination of choice for families looking to create meaningful memories and those elements highlighted above in ***Significant Tourism Initiatives***. Special measurement criteria include: increases in room nights, visitor frequency, visitor spending and length of stay. New York State will employ strategies to achieve these goals including television, digital, out-of-home and other advertising, activations at live events, international marketing, public relations efforts, social media engagement and other initiatives.

\*Projects developed collaboratively between businesses and tourism promotion agencies (TPA) will be looked upon favorably.

*Please note that it is strongly suggested that applicants include a **project plan** outlining the specifics of the project, the budget and specifically how the grant funds and the grantee equity will be used as well as any other information that the applicant would like to share with the scoring teams. It is also strongly advised that applicants provide information that clearly and specifically addresses the Scoring Criteria listed later in these guidelines. The budget in the project plan should reflect the same total project costs indicated in the budget section of the CFA application.*

#### **Eligible Expenses**

Eligible costs that may be covered by a grant include direct costs incurred, by the Grantee only, for the development and delivery of a regionally-based tourism marketing project and must not include organizational costs that would have otherwise been incurred by the applicant (e.g. finance, office related and/ or operational costs).

In general, eligible tourism marketing costs include, but are not limited to, the following:

- purchase of recognized media advertising;
- production costs of print collateral and/or audio/visual;
- licensing/talent fees to ensure ownership of finished product;
- website design/updates;
- fees paid to artists, musicians, performers, special guests & speakers;
- rental of event amenities (e.g. chairs, tents, tables, staging, lighting, fencing, etc.);
- consultation/vendor events services (e.g. security, AV, sound, lighting crews, etc.);
- site expenses & services (e.g. convention center fees, security, shuttle buses, etc.);
- event producer or other consultant costs;
- supplies and materials as approved by ESD;
- administrative costs up to a maximum of 10 percent (10%) of the total project cost as approved by ESD (administrative costs are defined as- staff costs to execute the project/grant program only and must be demonstrated at the time that reimbursement is requested through payroll journals, cashed payroll checks and other sources deemed appropriate by ESD. These costs are not meant to include any general overhead costs of everyday business); and
- other costs deemed reasonable by ESD.

### **Ineligible Expenses**

Ineligible expenses include, but are not limited to, the following:

- food and / or beverages for consumption, including alcoholic beverages (these costs can be used towards the grantee match ONLY);
- loan, finance, interest and/or tax fees;
- legal fees, insurance/liability insurances and / or membership fees;
- in-kind, donated, volunteer services (not reimbursable nor can they be used toward the match); any costs incurred for events held outside New York State;
- wayfinding signage;
- fireworks (these costs can be used towards the grantee match ONLY) competition prizes, prize money and monies paid to participants;
- salaries, wages and / or staff time (outside of the 10% administrative cost);
- fringe benefits (such as health insurance, retirement benefits and other non - mandated benefits);
- expenses reimbursed from any other source or agency;
- capital expenditures (e.g. equipment, hardware, vehicles, computers, etc.). For these purposes, "capital expenditures" are defined as: funds spent to acquire/upgrade physical non-consumable fixed assets in order to maintain or increase the scope of operations. (e.g. property, renovations/upgrades, building construction, long term assets, etc.);
- permanent wayfinding signage (signage produced to be placed on city, county, state roads);
- training;
- operational/overhead expenditures (e.g. rent, utilities, office supplies, etc.); and

- other expenses deemed ineligible by ESD.

Note that travel costs (transportation, lodging, mileage, etc.), as approved by the Division of Tourism, will be eligible toward the grantee's match only and not reimbursed by grant funds;

### **Required Match**

#### **25% of Total Project Cost**

ESD generally seeks to provide no more than seventy-five percent (75%) of the financing for Regional Tourism Marketing projects. **An actual cash match of at least 25% of the total project cost is required.** In-kind matches and/or staff time are not eligible for the match requirement. Additionally, funds from any other state agency (including I LOVE NY Matching Funds and the ESD Fund) are ineligible to be used for the match. Match Example: A \$200,000 total project cost requires a \$50,000 minimum match, regardless of the amount of grant being requested, with no more than \$150,000 being requested as a grant. All expenditures, including the matched expenses, are required to be demonstrated that they were expended from the grantee's account(s). If working with a partner, the partner will need to transfer any cash match into the grantee's account(s).

### **Payment Process**

The grantee will receive an Award Letter after the grants have been announced. After that time, the grantee will then receive an Award Confirmation Letter outlining the requirements of the grant program, what is expected of the grantee if they choose to accept the grant, and authorizing spending against the grant. The project will then be brought before the ESD Board of Directors for approval. If approval is received, the grantee will be required to enter into a contract (Grant Disbursement Agreement/GDA) with ESD, which will be sent to the grantee after Board approval.

ESD will pay the grantee on a **reimbursement basis**, no more frequently than quarterly, up to 75% of the total eligible costs that are supported by invoices, paid receipts and other documentation as required. (This means that the Grantee will need to show a minimum of 25% of their match for each reimbursement request. Reimbursement forms and requirements will be included in the GDA.) No financial payment of the grant will be made upfront. **The grantee should be prepared to subsidize the project for a term of up to 6 months or more.**

Expenses incurred prior to the award of a CFA grant may not be included in CFA project budgets. Additionally, expenses incurred after submission of a CFA but **prior** to an award announcement are not eligible for reimbursement.

All Regional Tourism Marketing Projects are required to complete projects within two years of the date of the award letter (December 31, 2020).

Please note: awarded grants are not transferable and project expenditures (grant and match) must be shown to have been expended from the Grantee's accounts.

## **Fees**

There are no fees associated with the Regional Tourism Marketing funding track.

## **Reporting**

All projects will require that a “Project Performance Measure” report and a final report be completed before a final reimbursement will be made. Requests for reimbursement will be outlined with successful awardees in the GDA, and may be submitted no more frequently than quarterly, up to 75% of the total eligible costs. Reimbursements are eligible for request after the successful grantee has a signed/approved grant disbursement agreement (GDA). Please note all MWBE and SDVOB requirements must be in compliance and Grants Gateway accounts in pre-qualified status for non-profit organizations, in order for payments to be processed.

## **II. Regional Tourism Capital**

### **Up to \$8 million**

(only minimum requests of \$150,000 or more will be considered)

Any grant requests under \$150,000 will be found ineligible and will not be scored.

Applications will be accepted for projects that include plans to expand, construct, restore or renovate New York State tourism destinations and attractions. Applicants must demonstrate how the tourism capital project will work to promote and forward the tourism goals of the corresponding REDC’s strategic plan, in addition to increased visitation and visitor spending.

Successful tourism marketing projects will also complement the goals and strategies of I LOVE NY, namely to make New York State the destination of choice for families looking to create meaningful memories and those elements highlighted in ***Significant Tourism Initiatives***. Special measurement criteria include: increases in room nights, visitor frequency, visitor spending and length of stay. New York State will employ strategies to achieve these goals including television, digital, out-of-home and other advertising, activations at live events, international marketing, public relations efforts, social media engagement and other initiatives.

\*Projects developed collaboratively between businesses and tourism promotion agencies (TPA) will be looked upon favorably.

Projects that include a hotel (with more than 15 employees) as a principal function and/or a convention center are required to demonstrate compliance with Section 2879-b of Public Authorities Law regarding labor peace.

*Please note that it is **strongly suggested that applicants include a project plan** outlining the specifics of the project, the budget and specifically how the grant funds and the grantee equity will be used and any other information that the applicant would like to share with the scoring teams. It is also strongly advised that applicants provide information that clearly and specifically addresses the Scoring Criteria listed later in these guidelines. Additionally, the project plan*

*budget should reflect the same expenditures costs and total project costs indicated in the CFA application budget section.*

### **Eligible Expenses**

Eligible projects costs should be associated with the construction of a new tourism destination/attraction, or adding on to and/or restoring an existing tourism destination/attraction, and/or with permanent structures or other infrastructure associated with a special event.

In general, eligible tourism capital costs include, but are not limited to, the following:

- acquisition or leasing of land, buildings, machinery and / or equipment;
- pre-development costs;
- remediation costs;
- improve accessibility services;
- purchase of equipment and/or event amenities (ex. permanent staging, fixed assets, etc.)
- acquisition of an existing business and/or assets; and
- new construction, renovation or leasehold improvements.

### **Ineligible Expenses**

Ineligible expenses include, but are not limited to, the following:

- developer fees;
- training;
- recapitalization/refinancing;
- expenses reimbursed from any other source or agency;
- food and/or beverages for consumption, including alcoholic beverages;
- legal fees, insurance/liability insurances and / or membership fees;
- loan, finance, interest and/or tax fees; any costs incurred for capital event costs held outside New York State;
- competition prizes, prize money and monies paid to participants;
- in-kind, donated, volunteer services (not reimbursable nor can they be used toward the match);
- fringe benefits (such as health insurance, retirement benefits and other non-mandated benefits);
- wayfinding signage (signage produced to be placed on city, county, state roads);
- operational/overhead expenditures (e.g. rent, utilities, etc.);
- residential development, although program funds may be used for the commercial component of a mixed-use project; and
- other expenses deemed ineligible by ESD.

Note: Expenses incurred prior to submission of a CFA may not be included in CFA project budgets; anticipated expenses that might be incurred after submission of a CFA but prior to an award announcement will not be reimbursed.

### **Required Match**

#### **80% Match Required**

ESD generally seeks to provide no more than twenty percent (20%) of the financing for Tourism Capital projects. **An actual cash match of 80% of the Total Project Cost is required.** In-kind matches and/or staff time is not eligible for the match requirement. Funds from any other state agency (including, but not limited to I LOVE NY Matching Funds and the ESD Grant Fund) are ineligible to be used for the match. Match Example: A \$500,000 total project cost requires a \$400,000 minimum match, regardless of the grant amount being requested, with no more than \$100,000 being requested as a grant.

### **Payment Process**

The grantee will receive an Award Letter after the grants have been announced. After that time, the grantee will receive an Incentive Proposal outlining the requirements of the grant program and what is expected of the grantee if they choose to accept the grant. The grantee will then alert their ESD project manager when their capital project is approximately one (1) month from completion. The project will then be brought before the ESD Board of Directors for approval. If approval is received, the project will be set up (by ESD) for a public hearing. The grantee will be invoiced for these associated fees. The project will then be presented for approval to the Public Authorities Control Board (PACB). If approved, the grantee will be required to enter into a contract (Grant Disbursement Agreement/GDA) with ESD, which will be sent to the grantee after Board approval.

ESD will pay the grantee on a reimbursement basis, up to the total award amount, and disbursed in a lump sum upon project completion as evidenced by attainment of a certificate of occupancy and/or other documentation verifying project completion as ESD may require, and receipt of documentation verifying project expenditures for the total project cost being expended from the Grantee's accounts only. No financial payment of the grant will be made upfront. Grant funds are not transferable.

Because awards are offered as an incentive to undertake a project, the project should not begin, and expenses cannot be incurred, before funding awards have been announced. Expenses incurred prior to submission of a CFA may not be included in CFA project budgets nor should expenses be incurred after submission of a CFA but prior to an award announcement.

Please note: awarded grants are not transferable and project expenditures (grant and match) must be shown to have been expended from the grantee's account(s).

## **Fees**

The Recipient will provide a \$250 Application Fee, due when this Incentive Proposal is returned and a 1% (of the awarded grant) commitment fee, due after ESD Directors' approval and at the time a Grant Disbursement Agreement is executed. In addition, the recipient will reimburse ESD for any direct expenses incurred in connection with this project, including costs related to holding a public hearing, attorney fees, appraisals, surveys, title insurance, credit searches, filing fees and other requirements deemed appropriate by ESD.

## **Reporting**

All projects will require that a "Project Performance Measure" report and a final report, be completed before a final reimbursement will be made. Requirements for such reports/requests will be outlined in the GDA with successful awardees. Reimbursements may be eligible for request after the successful grantee has a signed and approved grant disbursement agreement (GDA). Please note all Grants Gateway accounts (for non-profit organizations) and MWBE compliance must be up to date in order for payments to be processed.

## **\*\*\*FOR ALL APPLICANTS WHO APPLY FOR FUNDS UNDER EITHER REGIONAL TOURISM MARKETING OR CAPITAL FUNDING SOURCES:**

- Awarded grants are not transferable.
- All project expenditures (grant and match) must be demonstrated to have been expended from Grantees accounts.
- Expenditures made by partners and/or consultants are not eligible unless the grantee can demonstrate that the partner and/or consultant was directly reimbursed by the grantee for the expenses and/or services rendered.
- Reimbursement payments may only be made to the awardee.
- Any use of the I LOVE NY logo as part of the funded project must conform to ESD guidelines and be approved in advance by ESD; non-compliance may result in a reduction and/or termination of an award.
- In the event that I LOVE NY / NYS Division of Tourism would choose to record video footage related to the project or grantee for state tourism purposes, have a tourism promotion presence at public events related to the project or put on by the grantee, and/or distribute I LOVE NY marketing materials at sites controlled by the grantee, no further money would be exchanged for these purposes, including but not limited to rights and space fee(s).
- If the information in the application regarding a project match fails to show any demonstrated "match" for the program, the overall project may be deemed ineligible.
- Applicants must demonstrate how *Market New York* funding for these expenses will be used to support the desired outcome of their enhancement project, and how these expenses are expected to stimulate increased visitation and spending in the corresponding region of New York State.

- Being awarded a grant does not imply automatic approval of elements in the submitted marketing plan if they do not comply with local/state/federal laws and/or regulations, including the requirements of the *Market New York* grant program itself.
- Market New York Grants are meant to initiate new projects and/or provide support to expand a project beyond what an organization can do on its own. Therefore, projects that have been funded in three (3) consecutive rounds may be deemed ineligible. It is also likely that funding for multi-year or ongoing projects will decrease for each year after the first year of funding in order to facilitate self-sufficiency of these tourism projects
- All grantees are fully responsible for being aware of any taxes required to be paid as a part of accepting an awarded grant. Empire State Development is not able to advise on your tax reporting status.
- All projects will require that a Project Performance Measure report (included in the Grant Disbursement Agreement-Exhibit B), a final report, be completed before a final reimbursement will be made.
- Any changes of an awarded project budget (including the match) over 10% or \$1,000, whichever is greater, and/or major changes to the scope of the project may cause a reduction of award amount or termination of your awarded grant.
- Regional Tourism Marketing projects requests must be for \$50,000 or more, projects below this minimum request will be deemed ineligible.
- Regional Tourism Capital projects requests must be for \$150,000 or more, projects below this minimum request will be deemed ineligible
