New York Forward Loan Fund (NYFLF) revised 2/5/2021
Empire State Development
New York Forward Loan Fund (NYFLF)

New York Forward Loan Fund (NYFLF) is a new economic recovery loan program aimed at supporting New York State small businesses, nonprofits and small residential landlords as they reopen after the COVID-19 outbreak and NYS on PAUSE.

It targets the state’s small businesses with 50 or fewer employees (90% of all businesses), nonprofits, and small residential landlords that have seen loss of rental income. The working capital loans of up to $100,000 are timed to support businesses and organizations as they proceed to reopen and have upfront expenses to comply with guidelines (e.g., inventory, marketing, refitting for new social distancing guidelines) under the New York Forward Plan.

These loans are available to small businesses, and nonprofits that did not receive a U.S. Small Business Administration Paycheck Protection Program of greater than $500,000 or an Economic Injury Disaster Loan (EIDL) for COVID-19 of more than $150,000.

Access to loans for small residential landlords will be targeted to owners with residential buildings of 50 units or less and will prioritize loans for residential landlords whose properties are in low- and moderate-income census tracts or who serve low to moderate income tenants.

The loans are not forgivable in part or whole. The loans will need to be paid back over a 5-year term with interest. In addition at least 60% of the loans will be made to Minority and/or Women owned businesses.
How do I apply?

PRE-APPLICATIONS are now OPEN ONLINE at: www.nyloanfund.com

This is not a first-come, first-served loan program. Applications will be reviewed on a rolling basis.

Five (5) Community Development Financial Institution (CDFI) lenders are accepting applications.

The application portal will help you choose the best lender for your industry and area.

SPECIAL NOTES & RESOURCES

New York Forward Loan Fund
New York Forward Loan Fund – Special Notes

• Participating lenders are responsible for making their own credit decisions.
• Due to the expected high demand, the number of New York Forward loans will be limited.
• Due to a limited amount of funding and the high volume of requests expected, your business type, geography and industry may factor into your ability to receive a loan.
• Information in this presentation is accurate as of 2/5/2021 and is subject to change.
• Please note that submitting a pre-application is not indication of eligibility or that funding will be approved.
• We recommend applying as soon as possible. In the event the website is overwhelmed, we recommend checking back often to submit your pre-application.
• A borrower should only submit one application, loan terms do not change from lender to lender and multiple requests could slow your process. As the loan approval criteria are similar from lender to lender, if you are declined by a lender you cannot reapply to another lender.
What will my monthly payments look like?

- Your monthly payments will vary based upon the amount of money you borrow.
- Your monthly principal and interest payments are based on a straight-line amortization assuming full repayment at 60 months.
- Calculations for illustrative purposes only.
