### **How to Reach Pacific Park Brooklyn Community Liaison Office (CLO)**

The Community Liaison Office located at 550 Vanderbilt Avenue is temporarily closed. The CLO can be reached by phone at 866-923-5315 and by email at [communityliaison@pacificparkbrooklyn.com](mailto:communityliaison@pacificparkbrooklyn.com)

### **Noise Receptor Control Program**

You may be eligible to receive and have installed double paned or storm windows and an in-window air conditioning unit for certain residential units where such air conditioning and/or double paned windows/storm windows do not exist today. The cost of any windows and any air conditioning units, and the cost of their installation, would be borne by the Developer.

The locations that may be eligible at this time are the residential sites in proximity to site construction and identified in the 2006 Final Environmental Impact Statement (FEIS) or the 2014 Final Supplemental Environmental Impact Statement (FSEIS) as having the potential to experience significant adverse noise impacts during the construction of the Pacific Park Brooklyn project.

In order to schedule an on-site inspection by the Developer to determine which windows may be eligible for replacement and/or AC units provided please contact the Community Liaison Office at 866-923-5315 and by email at [communityliaison@pacificparkbrooklyn.com](mailto:communityliaison@pacificparkbrooklyn.com)
