

ATLANTIC YARDS aka Pacific Park Brooklyn Construction Update  
**Weeks of March 20, 2023, and March 27, 2023**

During this reporting period:

**Block 1120 Platform**

- There are no construction activities scheduled for the reporting period.

**B12 & B13**

- Mechanical, Plumbing, Fire Protection and Electrical punch list work on-going throughout the project as well as LEED Commissioning and start-up of equipment. West Tower Hoist apartment interior finish work on-going including installation of tile, flooring, painting, shades, electrical devices and plumbing trim. Architectural woodwork installation of benches for plaza area are on-going as well as punch list items.
- Site improvements and landscaping subcontractor work on-going. Planting work is on-going.
- Sidewalk and curb restoration work along Dean St is expected to be completed within this reporting period. Pedestrian access along Dean St. will be temporarily relocated to the parking lane (south side of Dean St.) while this work is on-going. Parking lanes along the south side of Dean St. will be temporarily reduced and / or eliminated while this work is being performed. No parking signs will be posted accordingly. Bike Lanes are not expected to be impacted.
- Scaffold drops for façade work including window washing operations, caulking and installation of window wall metal panels, slab covers, at west tower hoist run is expected to be completed within this reporting period.
- Con Ed may be on site to install interconnection feeder cables between vaults. Parking on Dean St. in front of the East Vault may be reduced by approximately five to six parking spaces while Con Ed completes this work.
- Weekday work hours are 7 AM – 6 PM, with a permit for early work from 6 AM – 7 AM. Saturday work from 9 AM – 5 PM will continue during this reporting period.
- Appropriate dust and noise mitigation measures are in place for all activities.

**How to Reach Pacific Park Brooklyn Community Liaison Office (CLO)**

The Community Liaison Office located at 550 Vanderbilt Avenue is temporarily closed. The CLO can be reached by phone at 866-923-5315 and by email at [communityliaison@pacificparkbrooklyn.com](mailto:communityliaison@pacificparkbrooklyn.com)

### **Noise Receptor Control Program**

You may be eligible to receive and have installed double paned or storm windows and an in-window air conditioning unit for certain residential units where such air conditioning and/or double paned windows/storm windows do not exist today. The cost of any windows and any air conditioning units, and the cost of their installation, would be borne by the Developer.

The locations that may be eligible at this time are the residential sites in proximity to site construction and identified in the 2006 Final Environmental Impact Statement (FEIS) or the 2014 Final Supplemental Environmental Impact Statement (FSEIS) as having the potential to experience significant adverse noise impacts during the construction of the Pacific Park Brooklyn project.

In order to schedule an on-site inspection by the Developer to determine which windows may be eligible for replacement and/or AC units provided please contact the Community Liaison Office at 866-923-5315 and by email at [communityliaison@pacificparkbrooklyn.com](mailto:communityliaison@pacificparkbrooklyn.com)
