

The Penn Area Public Realm Task Force, with the assistance of technical experts, will help craft a Public Realm Concept Plan that will inform future public investment in public amenities, leveraging funds generated by real estate development in the area of the Penn Station Area Civic and Land Use Project, starting with \$50M in early project proceeds. Following approval of the Project, the PRTF will remain in existence and meet periodically to advise the public sector on those investments.

The Public Realm Task Force would comprise representatives of:

- Governor's office:
 - Deputy Secretary of Economic Development
 - Deputy Secretary of Transportation
 - Deputy Secretary of Human Services
 - Chief Disability Officer
- ESD
- MTA
- Amtrak
- New Jersey Transit
- NYC DOT
- NYC DCP
- NYC EDC
- NYC Mayor's Office
- U.S. Congressmembers
- NYS Senators and Assemblymember
- Manhattan Borough President
- New York City Councilmember
- Manhattan Community Boards 4 and 5 (2 appointees from each Board)
- Civic organization(s)
 - Regional Plan Association
 - 34th Street Partnership
- Developer(s) of the GPP Sites
- MSG
