The form created by the Department to effectuate this information transfer shall be executed only by a person with authority to act on the business entity's behalf in this regard. Any tax information shared as a result of this agreement shall be exempt from disclosure or inspection in accordance with the Freedom of Information Law, Article 6 of the Public Officers Law;

  - a. An attestation by the Sponsor that a review of 6-digit NAICS codes of businesses in the same Community identifies no businesses in the same Community with the same NAICS code.
  - b. An affidavit of publication obtained by the Sponsor from a daily print or online newspaper in the county where the applicable Tax-Free NY Area is located that affirms that a notice regarding the application was published in such newspaper for no less than five (5) consecutive days and an attestation by the Sponsor that the published notice yielded no responses from businesses identifying themselves as Competitors in the same Community. Such notice shall include a detailed description of the applicant's proposed products or services and shall also include appropriate contact information for the university or college representative responsible for receiving START-UP NY business applications and all other information as determined by the Commissioner.
  - c. An attestation by the applicant that it does not compete with other businesses in the same Community but outside the Tax-Free NY Area.
  - d. In the event that a potential Competitor is identified, the Sponsor must seek a letter from the Commissioner determining whether the applicant business would compete with other

businesses in the same Community but outside the Tax-Free NY Area. In such case, the Commissioner shall conduct a review of available information and make a final determination as to whether the applicant has a Competitor in the same Community. Such review shall include, but not be limited to, a comparison of the products and/or services proposed to be provided by the business applicant and the products and/or services provided by the potential Competitor or Competitors. The Commissioner will make the final determination about whether the business applicant will compete with other existing businesses in the same Community but outside the Tax-Free NY Area.

- ix. certification that the business's participation in the START-UP NY Program will have positive community and economic benefits;
  - x. the prior three years of federal and state income or franchise tax returns, unemployment insurance quarterly returns, real property tax bills and audited financial statements;
  - xi. the employer identification or social security numbers for all related persons to the business, including those of any members of a limited liability company or partners in a partnership;
  - xii. a list and description of all related persons to the business and certification that jobs are not being shifted within the State;
  - xiii. certification, under penalty of perjury, that the applicant is in substantial compliance with all environmental, worker protection, and local, state and federal tax laws;
  - xiv. whether the business has previously applied for acceptance to locate into a Tax-Free NY Area and the status of that application.
- 5) Include a statement of performance benchmarks, identifying the number of net new jobs that must be created, the schedule forecasting a five-year plan or

projection for creating those jobs, and details on job titles and expected salaries. This statement of performance benchmarks must also indicate the maximum number of net new jobs eligible for the personal income tax benefit described in Section 39(e) of the Tax Law to be created.

- 6) Include a statement of consequences for the failure to meet performance benchmarks, as determined by the business applicant and the Sponsor, which shall include one or more of the following: (i) suspension of such business's participation in the START-UP NY Program for one or more tax years as specified in such application; (ii) termination of such business's participation in the START-UP NY Program; or (iii) proportional recovery of tax benefits awarded under the START-UP NY Program as specified in Section 39 of the Tax Law.

- i. In the event that the business chooses proportional recovery of tax benefits as a consequence of realizing job creation less than the estimated amount, and the number of net new jobs created is at least 75% of the number of net new jobs promised, then the tax benefits shall be reduced by the percentage by which the business failed to meet its performance benchmark, calculated as the ratio of the difference between new net jobs promised and actual net new jobs created divided by the net new jobs promised. For purposes of example, if the business promised to create 100 net new jobs but created only 90 net new jobs, the difference is 10 net new jobs. Dividing those 10 jobs not created by the 100 jobs promised shows that the number of jobs created is 10% less than the number of jobs promised. The business's tax benefits would therefore be reduced by 10%.

- ii. In the event that the business chooses proportional recovery of tax benefits as a consequence of realizing job creation less than the estimated amount, and the number of net new jobs created is less

than 75% of the number of net new jobs promised in any three years during the 10-year job creation schedule, then:

- a.* in the first year that the business does not meet the 75% threshold, there shall be a proportional recovery of tax benefits;
- b.* in the second year that the business does not meet the 75% threshold, such business's participation in the START-UP NY Program will be suspended; and
- c.* in the third year that the business does not meet the 75% threshold, such business's participation in the START-UP NY Program may be terminated.

- 7) In accordance with Section 89(5) of the Public Officers Law, identify with specificity any information in the application that the applicant deems to be a trade secret or otherwise exempt from disclosure under the Freedom of Information Law, Article 6 of the Public Officers Law.
- e.* The Sponsor, upon receipt of a complete application from a business applicant, shall determine whether the business applicant meets the eligibility criteria set forth in Section 220.6 herein. An application that meets the eligibility criteria set forth in Section 220.6 herein may then be forwarded by the Sponsor to the Commissioner for further review to determine whether the business meets all of the requirements, as well as the intended purpose, of Article 21 of the EDL.
    - 1) Where the Sponsor is a SUNY college or university and proposes to enter into a lease with a term greater than 40 years (including any options to renew) with the business applicant for eligible land in a Tax-Free NY Area or for eligible land in a Tax-Free NY Area of one million or more square feet, the Sponsor must also submit a copy of the proposed lease to the START-UP NY Approval Board at the same time the application is provided to the Commissioner. If the Board disapproves of the lease, it must provide to the Sponsor a statement of reason for disapproval and suggestions for modifications within 30 days of receipt. The Sponsor may then

submit a modified lease in accordance with the Board's suggestions to the Commissioner for review as part of the business application. If the Board does not disapprove of the lease within 30 days of receipt, it shall be deemed approved by the Board and the application shall be deemed ready for review by the Commissioner.

- f. When forwarding a completed business application to the Commissioner, the Sponsor must include a certification that it will adhere to any and all applicable requirements under Article 21 of the EDL, Article 8 of the Labor Law and Article 15-A of the Executive Law.
- g. An applicant that does not meet the criteria set forth in Section 220.6 herein shall not be approved to locate to a Tax-Free NY Area or be accepted into the Program.
- h. The Commissioner, upon receipt of a complete application from a Sponsor, shall conduct a further review to determine whether the business meets all of the requirements, as well as the intended purpose, of Article 21 of the EDL. The Commissioner shall consider, among other things, whether the applicant:
  - 1) Meets all of the eligibility criteria set forth in Section 220.6 herein;
  - 2) Has submitted a complete application;
  - 3) Has complied with the application requirements of this Section; and

- j. If the Commissioner rejects the application, he or she shall provide written notice of such rejection to the Sponsor.
- k. The Commissioner may approve the application anytime after receipt; if the Commissioner approves the application, the business applicant is deemed accepted into the START-UP NY Program and can locate to the Sponsor's Tax-Free NY Area. If the Commissioner does not reject the application within 60 days of receipt, the business

applicant is deemed accepted into the START-UP NY Program and can locate to the Sponsor's Tax-Free NY Area. The Commissioner's 60-day review period is suspended pending any review or modification of any proposed lease, if any, between a SUNY Sponsor and an applicant. The application of the business shall constitute the contract between the business and Sponsor. The Sponsor must provide an accepted business with documentation of its acceptance in such form as prescribed by the Commissioner of Taxation and Finance, which will be used to demonstrate such business's eligibility for the tax benefits specified in Section 39 of the Tax Law.

- l. Where the Commissioner determines that the number of net new jobs eligible for the personal income tax benefit under Section 39(e) of the Tax Law will exceed the allowable total aggregate net new jobs in the year in which the application is accepted, the business will be given priority in the subsequent year and all net new jobs identified in the business application's performance benchmarks will be eligible for the personal income tax benefit the following year.
- m. At the conclusion of the lease term between the Sponsor and the business for land or space in a Tax-Free NY Area owned by the Sponsor, if applicable, the leased land or space and any improvements thereon shall revert to the Sponsor, unless the lease is renewed.

#### **220.11 Amendments to a business's application for acceptance into the Program.**

This Section applies to any amendments made to the original application following approval of the business applicant into the Program pursuant to Section 220.10 herein.

- a. Following approval and acceptance into the Program, a business may amend any part of its application at any time to reflect any changes, so long as the amendments are made in the same manner as the application for participation in the Program. A business may amend its schedule of job creation in the same manner that it applied for participation in the Program, and any increase in eligibility for personal income tax benefits on behalf of additional net new jobs shall be subject to the limitations of Section 220.6 herein.

- b. If the original application included a lease between the business applicant and a SUNY college or university, any amendments to the application may not violate the terms of such lease or provide for any contradictory terms.

**220.12 Re-application process for businesses rejected from the Program.**

This Section applies to re-applications made as a result of an applicant being rejected from the Program for failing to meet the requirements of Section 220.6 herein or any other requirement, as well as the intended purpose, of Article 21 of the EDL, pursuant to Section 220.10 herein.

- b. An applicant that has been disapproved or rejected from the START-UP NY Program may submit a re-application to the Commissioner by submitting, in writing within 60 days of receipt of written rejection, a request for re-application. The request must identify the basis for the disapproval or rejection, as well as specific factual information (along with documentation establishing that information) and any arguments in support of the re-application. Failure by a business to request re-application within the aforementioned 60-day period will be deemed a waiver of the applicant's ability to submit a re-application.
- c. The Commissioner may review all arguments contained in the re-application, all information in the original submissions, as well as any information independently obtained. Nothing herein precludes the Commissioner from obtaining information from any outside source, as deemed appropriate. The Commissioner may request additional information from the applicant in support of the re-application. At the Commissioner's sole discretion, the Commissioner may conduct an in-person interview with any person who has information regarding the application. The level of formality of any interview shall be at the discretion of the Commissioner.

- d. The Commissioner shall notify the Sponsor, within 60 days of receipt of an applicant's complete re-application, of the Commissioner's approval or disapproval of the re-application. A disapproval of a re-application will be deemed final and non-appealable.

#### **220.13 Auditing process.**

The Department, the Department of Taxation and Finance, and the Department of Labor shall have access to all information, records, and documents of a business located in a Tax-Free NY Area and participating in the START-UP NY Program. Such access shall be provided during normal business hours at an office of the business within the State of New York for the purposes of inspection, auditing and copying. The aforementioned agencies shall take reasonable steps to protect from public disclosure any records that are exempt from disclosure under Section 87 of the Public Officers Law, provided that the business, in accordance with Section 89(5) of the Public Officers Law, identifies the records or portions of records that should be excepted from disclosure and states the reasons for such exception. - c. The Commissioner shall remove any business from the Program for failing to meet any of the eligibility criteria set forth in Section 220.6 herein or any other requirement, as well as the intended purpose, of Article 21 of the EDL.

- d. If the Commissioner has removed the business from the Program, the Commissioner shall notify the Sponsor and the business of such removal in writing. Such notice of removal shall explain the reason or reasons for the removal from the Program. The notice of removal shall state the effective date of removal, and advise the business that it may appeal the removal in accordance with Section 220.15 herein. Such notice may be served by the Department on the business by certified, registered or overnight mail sent to the business at the address last provided to the Department by the business and shall be deemed served three business days after being sent.
- e. A copy of the notice of removal shall be sent to the Commissioner of Taxation and Finance within 30 days following a final appeal determination or waiver of appeal.
- f. Upon such removal, such business shall not be eligible for the tax benefits described under Section 39 of the Tax Law for that or any future taxable year, calendar quarter or sales tax quarter, although an employee of such business may continue to claim the tax benefit for their wages during the remainder of that employee's taxable year.
- g. Any lease or contract between a Sponsor and a business removed from the Program shall be rescinded, effective on the 30th day after the Commissioner serves a removal notice on such business, and the land or space and any improvements thereon shall revert to the Sponsor.

- 1) The appeal officer shall evaluate the merits of the appeal and any response from counsel to the Department. Where the appeal officer deems it appropriate, the appeal officer may require the business or counsel to the Department to address additional issues or submit additional information regarding the appeal.
- 2) Nothing herein shall preclude the appeal officer from obtaining information from any outside source, as he or she deems appropriate.
- 3) The appeal officer shall determine whether he or she deems it necessary to conduct a fact-finding hearing, and the level of formality of any hearing conducted.

d. Appeal Officer's Report

The recommendations may be in the form of a proposed decision which will contain findings of fact and conclusions of law. This report, along with the entire record, shall be transmitted to the Commissioner, counsel to the Department, and the business entity that filed the appeal.
