

MWBE Training Tuesdays Webinar Series October 2020

****Schedule subject to change****

Topic	Date	Time	Description	Registration
Special Project Nassau University Medical Center Webinar	Thursday, October 15th	2:00PM-3:00PM	This webinar will be discussing what the procedure is for MWBE vendors pursuing business with Nassau University Medical Center, A. Holly Patterson Extended Care Facility, and our other locations as well.	Register Here!
Doing Business with NYS Parks	Tuesday, October 20th	2:00PM-3:00PM	The New York State Park system has 214 parks and historic sites statewide and is still growing. These facilities are in constant need of upkeep which provides for very robust procurement needs. This webinar will provide information on how Parks incorporates MWBE vendors in their procurement process and what is being done in the current financial climate.	Register Here!
Doing Business with NYS Department of Health	Tuesday, October 27 th	2:00PM-3:00PM	NYS Department of Health will provide invaluable tips for successfully bidding and subcontracting on projects with the NYS Department of Health. You will be walked through the process of locating and pursuing contracting opportunities from the perspective of a Minority and Women-Owned Business. We guarantee you will leave with the necessary tools to ensure your business's profile is updated, the skills to locate current and past contracting opportunities, and the knowledge of how to follow a Vendor through that process from start to finish.	Register Here!
