Item I. A.

FOR CONSIDERATION

September 9, 2022

TO: The Bond Financing Committee Members

FROM: Hope Knight

SUBJECT: Issuance of State Personal Income Tax Revenue Bonds and/or State Sales Tax Revenue Bonds – Preliminary Actions

REQUEST FOR: Authorization to Approve the Application to the Public Authorities Control Board for Issuance of One or More Series of State Personal Income Tax Revenue Bonds (the “PIT Bonds”) and/or State Sales Tax Revenue Bonds (the “ST Bonds” and Together with the PIT Bonds, the “Bonds”); Authorization to Enter into Contracts to Provide Legal Services for the Corporation in Connection with the Issuance of the Bonds; and Authorization to Take Related Actions

I. INTRODUCTION/BACKGROUND

The Bond Financing Committee of the New York State Urban Development Corporation d/b/a Empire State Development (“UDC” or “ESD”) is being asked to approve the submission of an application (the “Application”) to the New York State Public Authorities Control Board (“PACB”) in connection with the proposed issuance of State Personal Income Tax Revenue Bonds (the “PIT Bonds”) and/or State Sales Tax Revenue Bonds (the “ST Bonds” and together with the PIT Bonds, the “Bonds”) and to authorize ESD to enter into contracts with bond counsel in connection with the issuance of the Bonds. ESD will be utilizing the services of the Public Resources Advisory Group (“PRAG”) as a financial advisor. The New York State Division of Budget (“DOB”) maintains the contract and related payment obligations for PRAG.

II. PACB APPROVAL OF THE BONDS

The Bonds are authorized by multiple project acts, as amended and supplemented, and related appropriations acts, as amended and supplemented, the New York State Personal Income Tax Revenue Bond Program statute and the New York State Sales Tax Revenue Bond Program statute (collectively, the “Project Acts”). Pursuant to the Project Acts, ESD is authorized to assist in financing certain programs and projects, including, among others, Correctional Facilities, Division of Military and Naval Affairs, Division of State Police, Economic Development projects, Environmental projects, Housing, Information Technology projects, SAM, State Facilities, SUNY projects and Youth Facilities (the “Projects”). In addition, ESD may issue bonds to refund bonds previously issued by ESD or other state entities in accordance with the Project Acts.

ESD intends to issue one or more series of the Bonds. If the Bonds are issued as PIT Bonds, the Bonds will be issued pursuant to ESD’s existing State Personal Income Tax Bonds (General Purpose) General Resolution, as well as appropriate Supplemental and Bond Financing Committee Resolutions. If the Bonds are issued as ST Bonds, the Bonds will be issued pursuant to ESD’s existing State Sales Tax Bonds General Resolution, as well as appropriate Supplemental and Bond Financing Committee Resolutions.

The proceeds of the Bonds are expected to be used to: fund the Projects, refund bonds previously issued by ESD and/or other State issuers and pay all costs and expenses of ESD incurred in connection with the issuance of the Bonds.

The Public Authorities Law, specifically Chapter 38 of the Laws of 1976, requires the approval of PACB for the acquisition, construction or financing of any project proposed by ESD. Staff is seeking ESD's authorization to submit an application to PACB for approval of the proposed sale and issuance under the Project Acts of one or more series or sub-series of the Bonds

III. FINANCING

ESD intends to issue one or more series or sub-series of tax-exempt and/or taxable Bonds in accordance with the Project Acts. The Bonds will have fixed interest rates and will be issued in an amount not to exceed \$2,600,000,000, including issuance costs.

The Bonds will be special obligations of ESD and will be payable from and secured by amounts paid to ESD by the State, acting by and through DOB, pursuant to a financing agreement between ESD and the State.

IV. BOND COUNSEL CONTRACT SUMMARY

Bond Counsel: Nixon Peabody LLP ("Nixon") and D. Seaton and Associates, P.A. P.C. ("Seaton") (collectively, "Bond Counsel").

Scope of Services: Bond Counsel would serve as co-bond counsel to provide legal services to ESD in connection with the issuance of one or more series of the Bonds.

Contract Amount: \$480,000 which includes both Nixon's and Seaton's fees under separate retainers.

Funding Source: The contracts will be funded from the Bond proceeds as a cost of issuance.

A. BOND COUNSEL SELECTION PROCESS

On October 8, 2021, ESD staff placed an advertisement in the New York State Contract Reporter requesting proposals from law firms in the following twelve (12) areas of law (including, in each instance, litigation capabilities): real estate and land use; construction; environmental; condemnation; taxation; bond financing; labor & employment; venture capital investments and other investments; bankruptcy/foreclosure/workout; governance and regulatory litigation; intellectual property; and landlord-tenant.

74 firms responded to the solicitation. The responses were evaluated by a Review Committee consisting of nine ESD staff attorneys. The Review Committee's recommendations then were discussed with the acting General Counsel. ESD's Board of Directors approved this new Pre-Qualified Counsel List on March 24, 2022.

Staff recommends the retention of Nixon as co-bond counsel for this transaction for the following reasons: (a) knowledge and expertise of the firm; (b) prior experience as bond counsel, including specific

experience in bond issuances, specifically PIT and ST Bonds; (c) prior satisfactory work which the firm performed for ESD; (d) rate proposal; and (e) ESD's pre-qualification process.

Staff also recommends the retention of Seaton as co-bond counsel for the Bonds. Seaton is identified on the Pre-Qualified Counsel List as having bond financing expertise and is also a certified MWBE firm. Staff recommends the retention of Seaton as co-bond counsel for this transaction for the following reasons: (a) knowledge and expertise of the firm; (b) prior experience as bond counsel, including specific experience in PIT and ST bond issuances; (c) rate proposal; and (d) ESD's pre-qualification process.

The appointment of both firms also represents an equitable distribution of work among ESD's rotating slate of Senior and Junior Tier Bond firms and MWBE law firms, to handle ESD's debt in terms of size and number of transactions, and fees received.

B. SCOPE OF WORK

Bond Counsel will advise ESD in securities, bonds, taxes and other related legal matters in connection with the issuance and sale of the Bonds. Such work may include, but not be limited to, drafting, negotiating, and finalizing the following types of documents: sale contracts, resolutions, supplements and amendments, disclosure documents, refunding documents and tax opinions.

C. CONTRACT - NEED, PRICE AND FUNDING

1. NEED FOR CONTRACT

In accordance with Federal tax law, an opinion from bond counsel is required to opine upon tax-exempt bonds. In addition, bond counsel expertise is necessary to ensure compliance with applicable securities laws and market practices. ESD has used experienced bond counsel on every issuance of its bonds.

2. CONTRACT PRICE AND FUNDING

Bond Counsel will bill at ESD's standard rates and will be paid on or about the closing dates from bond proceeds in an amount not to exceed \$480,000.

V. RESPONSIBLE PARTY

Pursuant to State Finance Law Section 139-j and 139-k and ESD's policy related thereto, staff has: (a) considered Bond Counsel's ability to perform the services provided for in the proposed contract; and (b) consulted the list of offerors determined to be non-responsible bidders and debarred offerors maintained by the New York State Office of General Services. Staff has also examined the proposed contractors' "responsibility" as defined in State Finance Law §163, and as provided in ESD's Procurement Guidelines. Based upon the above and an analysis of financial and organizational capacity, legal authority to do business in New York, integrity of principals and past performance on contracts, staff concludes that the proposed contractors are responsible vendors.

VI. ENVIRONMENTAL REVIEW

The requested authorization to approve the submission of an application to the PACB and to enter into contracts with bond counsel in connection with the issuance of the Bonds constitutes a Type II action as

defined in the New York State Environmental Quality Review Act and the implementing regulations of the New York State Department of Environmental Conservation. No further environmental review is required in connection with this authorization.

VII. NON-DISCRIMINATION AND CONTRACTOR & SUPPLIER DIVERSITY

ESD's Non-Discrimination and Contractor & Supplier Diversity policies will apply to these contracts. Bond Counsel shall be required to include minorities and women in any job opportunities created, and to undertake Good Faith Efforts (pursuant to 5 NYCRR §142.8) to solicit and utilize MWBEs for any contractual opportunities generated in connection with this procurement. ESD shall endeavor to allocate work between Bond Counsel so as to achieve MWBE utilization of at least 30% related to the total amount of ESD's fees for legal services pertaining to the Bonds.

VIII. REQUESTED ACTION

The Directors are asked to approve the submission of the attached application to the PACB, and to authorize the retention of Nixon and Seaton as Co-Bond Counsel to ESD for such legal services as are described in these materials in an amount not to exceed \$480,000.

IX. RECOMMENDATION

Based on the foregoing, I recommend approval of the requested action.
