

**REQUEST FOR PROPOSALS -  
JACOB K. JAVITS CONVENTION  
CENTER  
SITE K - 418 11TH AVENUE  
MANHATTAN, NEW YORK**

**Addendum #4**

**Release Date: April 23, 2021**

**Question:** To process the \$1 million Cost Letter check, can ESD provide a W-9 or EIN/TIN?

**ESD Answer:** Respondents may request ESD's W-9 by emailing [JavitsSiteKRFP@esd.ny.gov](mailto:JavitsSiteKRFP@esd.ny.gov).

**Question:** In Addendum #3, Question 17 states that it is anticipated prevailing wages will apply on this project. However, Question 11 states that proposals including an affordable housing component should be fully compliant with Affordable New York. These two answers seem to conflict as Affordable New York only requires an average labor wage rate. Can ESD clarify?

**ESD Answer:** It is anticipated that prevailing wages will apply to the Project. Proposals should assume prevailing wages across all elements of the Project.
