

**REQUEST FOR Proposals (RFP)
Erie Canal Bicentennial at Canalside Consulting Services**

Release Date: March 29, 2022

Erie Canal Bicentennial at Canalside Consulting Services

Q&A

No.	Question	Answer
1	Whether companies from Outside USA can apply for this? (like, from India or Canada)	Yes
2	Whether (do) we need to come over there for meetings?	Yes, in-person meetings are preferable
3	Can we perform the tasks (related to RFP) outside USA? (like, from India or Canada)	Some of the tasks can be performed outside the USA, while others will require site visits
4	Can we submit the proposals via email?	<i>Please see the last paragraph of Page 9 of the RFP. It clearly stipulates that all proposals must be submitted via the designated email.</i> BicentennialCS@esd.ny.gov
5	Does the work involved with the conceptual site layout (Task 2) require the services of a Civil Engineer, Surveyor, or Landscape Architect? Both architectural and engineering services are mentioned on Page 6 of the RFP, with respect to the experience/qualifications of the Consultant team.	While no construction documents will be prepared as part of the scope of work, we would prefer team members with civil engineering, architecture and/or surveying experience as planning and layout decisions will likely result in future capital improvements.
